NOTICE

Subject: Road Safety and Mandatory Driving Licence

Dear Parents and Students,

Safety of our students is our highest priority.

As per the provisions of the Indian Motor Vehicles Act and road transport regulations, a valid Driving Licence is mandatory for driving motor vehicles such as two-wheelers and four-wheelers (cars) on public roads. Students who are below the legally prescribed age are not permitted to drive such vehicles.

Parents are requested not to allow underage students to ride or drive motor vehicles to school. Those who are legally eligible to ride two-wheelers must wear a certified safety helmet, and all occupants of cars must use seat belts while travelling.

The school management shall not be held responsible for any accident, injury, legal consequences, or untoward incident arising from parents voluntarily permitting underage students to ride or drive motor vehicles to and from the school.

Safety is our Priority.
